## PIEDMONT PIER

Nowadays we see that the USS Ronald Reagan is moored at Berth Twelve at Yokosuka Naval Base. Starting at the end of World War 2 it was known as "Piedmont Pier".

The USS Piedmont AD-17 was moored there at the conclusion of the war for several months.

"Piedmont supplied provisions and clothing to the landing forces and to the hospital ships standing by to care for released allied prisoners of war. Piedmont remained in the Tokyo area supporting the occupation forces until sailing for the United States"
